

# LitArts RI \* Sponsorship \*

## ▶ What is LitArts RI? ◀

LitArts RI elevates the written, spoken and illustrated word throughout Rhode Island by providing accessible workshops and community gatherings where writers can feel supported and known by fellow creatives and patrons of the arts. In addition, we seek to burnish Rhode Island's reputation as a literary destination—a place where content creators thrive.

We do this through community events focused on support and connection, creative skills development, professional development workshops, local partnerships and an affordable shared creative space.

## ▶ What is Sponsorship? ◀

Sponsorship is a tax deductible way to help LitArts RI uplift, strengthen and celebrate the work of writers, illustrators and podcasters in Rhode Island.

With your support we can ensure longevity and consistency in our continued work with Rhode Island's creative community.
